

# AIRPORT MASTER PLAN

## Eagle County Regional Airport

February 11, 2014

*As required by Paragraph 425.B(4) of FAA Order 5100.38C, Airport Improvement Program (AIP) Handbook:*

The preparation of this document may have been supported, in part, through the Airport Improvement Program financial assistance from the Federal Aviation Administration as provided under Title 49 U.S.C., Section 47104. The contents do not necessarily reflect the official views or policy of the FAA. Acceptance of this report by the FAA does not in any way constitute a commitment on the part of the United States to participate in any development depicted therein nor does it indicate that the proposed development is environmentally acceptable or would have justification in accordance with appropriate public laws.

## Contents

|            |  |            |
|------------|--|------------|
| <b>1.0</b> | <b>Introduction .....</b>                                      | <b>1-1</b> |
| 1.1        | Study Goals .....  | 1-1        |
| 1.2        | Local Information .....  | 1-1        |
| 1.3        | Airport Management and Ownership Structure .....               | 1-2        |
| 1.4        | Airport History and Activity .....                             | 1-3        |
| <b>2.0</b> | <b>Inventory .....</b>   | <b>2-1</b> |
| 2.1        | Airport Reference Code .....                                   | 2-3        |
| 2.2        | Airfield / Airspace.....                                       | 2-6        |
| 2.2.1      | Runways .....  | 2-6        |
| 2.2.2      | Taxiways.....  | 2-6        |
| 2.2.3      | Apron .....  | 2-7        |
| 2.2.4      | Pavement Condition.....  | 2-9        |
| 2.2.5      | Lighting, Marking, and Signage of Runway and Taxiways .....    | 2-9        |
| 2.2.6      | Visual and Navigational Airport Aids.....                      | 2-11       |
| 2.2.7      | Instrument Approach Equipment and Procedures .....             | 2-11       |
| 2.2.8      | Airport Airspace Usage.....                                    | 2-14       |
| 2.2.9      | Air Traffic Control .....                                      | 2-15       |
| 2.2.10     | Obstructions to Air Navigation.....                            | 2-16       |
| 2.3        | Commercial Passenger Facilities .....                          | 2-16       |
| 2.3.1      | Terminal Building Overview.....                                | 2-16       |
| 2.3.2      | Ticket Counters.....   | 2-16       |
| 2.3.3      | Outgoing Baggage Make-Up.....                                  | 2-18       |
| 2.3.4      | Baggage Claim.....   | 2-18       |
| 2.3.5      | Airline Ticket Offices.....                                    | 2-18       |
| 2.3.6      | TSA Facilities .....   | 2-18       |
| 2.3.7      | Aircraft Gates and Parking.....                                | 2-21       |
| 2.3.8      | Holdrooms.....   | 2-21       |
| 2.3.9      | Circulation.....   | 2-21       |
| 2.3.10     | Concessions .....  | 2-21       |
| 2.3.11     | Rental Car Facilities.....                                     | 2-21       |
| 2.4        | Curb Front.....  | 2-21       |
| 2.5        | General Aviation Facilities .....                              | 2-23       |
| 2.5.1      | Fixed Base Operator .....                                      | 2-23       |
| 2.5.2      | Airport Hangars .....  | 2-23       |
| 2.5.3      | Based Aircraft.....  | 2-25       |
| 2.5.4      | Based and Transient Aircraft Parking Aprons and Tie-downs..... | 2-25       |
| 2.6        | Air Cargo .....  | 2-25       |
| 2.7        | Support Facilities .....                                       | 2-25       |
| 2.7.1      | ARFF/SRE Building.....   | 2-25       |
| 2.7.2      | Aircraft Fuel Storage .....                                    | 2-26       |
| 2.7.3      | Weather Observation Equipment.....                             | 2-27       |
| 2.8        | High-Altitude Army Aviation Training Facility (HAATS).....     | 2-28       |
| 2.9        | Parking .....  | 2-30       |

|            |  |            |
|------------|--|------------|
| 2.10       | Surface Transportation .....   | 2-32       |
| 2.10.1     | Airport Access Road System.....  | 2-32       |
| 2.10.2     | Circulation Roads .....  | 2-33       |
| 2.10.3     | Railroads.....   | 2-33       |
| 2.11       | Utilities .....  | 2-33       |
| 2.11.1     | Water .....  | 2-33       |
| 2.11.2     | Sanitary Sewer .....   | 2-33       |
| 2.11.3     | Communications.....  | 2-33       |
| 2.11.4     | Natural Gas.....   | 2-33       |
| 2.11.5     | Electricity .....  | 2-34       |
| 2.11.6     | Stormwater.....  | 2-34       |
| 2.11.7     | Meteorological DataWind Coverage.....                                  | 2-36       |
| 2.11.8     | Temperature .....  | 2-40       |
| 2.11.9     | Precipitation.....   | 2-40       |
| 2.11.10    | Instrument Meteorological Conditions (IMC) .....                       | 2-40       |
| 2.12       | Airport Equipment.....   | 2-40       |
| 2.12.1     | ARFF Equipment.....  | 2-40       |
| 2.12.2     | Snow Removal Equipment (SRE).....                                      | 2-41       |
| 2.13       | Deicing.....   | 2-42       |
| 2.13.1     | Aircraft Fueling Equipment .....                                       | 2-44       |
| 2.13.2     | Airport Certification.....   | 2-44       |
| 2.13.3     | Security .....   | 2-45       |
| 2.14       | Airport Property .....   | 2-45       |
| 2.15       | Regional Setting and Land Use .....                                    | 2-48       |
| 2.16       | Community Planning Initiatives.....                                    | 2-51       |
| 2.17       | Environmental and Sustainability .....                                 | 2-51       |
| 2.17.1     | Air Quality .....  | 2-51       |
| 2.17.2     | Department of Transportation Act: Section 4(f) .....                   | 2-52       |
| 2.17.3     | Farmlands .....  | 2-53       |
| 2.17.4     | Floodplains .....  | 2-56       |
| 2.17.5     | Hazardous Materials, Pollution Prevention, and Solid Waste.....        | 2-56       |
| 2.17.6     | Historical, Architectural, Archaeological, and Cultural Resources..... | 2-58       |
| 2.17.7     | Light Emissions and Visual Impacts .....                               | 2-58       |
| 2.17.8     | Noise.....   | 2-59       |
| 2.17.9     | Water Quality .....  | 2-59       |
| 2.17.10    | Wetlands.....  | 2-60       |
| 2.17.11    | Wild and Scenic Rivers .....   | 2-60       |
| 2.17.12    | Sustainability.....  | 2-62       |
| <b>3.0</b> | <b>Aviation Activity Forecasts .....</b>                               | <b>3-1</b> |
| 3.1        | Purpose .....  | 3-1        |
| 3.2        | Data Sources .....   | 3-1        |
| 3.3        | Introduction & Primary Methodology .....                               | 3-2        |
| 3.3.1      | Factors Unique to EGE .....  | 3-2        |
| 3.3.2      | Methodology .....  | 3-4        |
| 3.4        | Eagle Regional Airport Market Profile.....                             | 3-5        |
| 3.4.1      | EGE Service Area .....   | 3-5        |

|            |  |            |
|------------|--|------------|
| 3.4.2      | Demographic & Economic Characteristics – Air Passenger Demand.....   | 3-6        |
| 3.4.3      | Hub Access Is To/From The Entire Nation.....                         | 3-7        |
| 3.4.4      | Seasonality – Driven By A Specific Traffic Strata: Ski Industry..... | 3-8        |
| 3.4.5      | Forecast Approach.....   | 3-9        |
| 3.4.6      | EGE Service Area Demographic & Economic Metrics.....                 | 3-9        |
| 3.4.7      | Population of EGE Service Area.....                                  | 3-9        |
| 3.4.8      | Personal Income of EGE Service Area.....                             | 3-10       |
| 3.4.9      | Economic Characteristics of EGE Service Area.....                    | 3-11       |
| 3.5        | Forecast of Enplaned Passengers.....                                 | 3-14       |
| 3.5.1      | Historical Passenger Enplanements.....                               | 3-14       |
| 3.5.2      | Passenger Enplanement Projection.....                                | 3-15       |
| 3.5.3      | The International Component.....                                     | 3-17       |
| 3.5.4      | Disclosure.....  | 3-17       |
| 3.6        | Scheduled Airline Service.....                                       | 3-18       |
| 3.6.1      | Historical Airline Service.....                                      | 3-18       |
| 3.6.2      | Historical Frequency & Capacity.....                                 | 3-19       |
| 3.6.3      | Current (2011) Commercial Air Service at EGE.....                    | 3-20       |
| 3.6.4      | Competing Airports.....  | 3-22       |
| 3.7        | General Aviation.....  | 3-22       |
| 3.7.1      | General Aviation Outlook – The Macro Picture.....                    | 3-22       |
| 3.7.2      | National GA Fleet Mix and Forecast.....                              | 3-23       |
| 3.8        | Aviation Demand.....   | 3-26       |
| 3.8.1      | GA Aviation Activity at EGE.....                                     | 3-26       |
| 3.8.2      | GA Based Aircraft.....   | 3-26       |
| 3.8.3      | EGE GA Fleet Mix.....  | 3-27       |
| 3.8.4      | EGE GA Operations.....   | 3-29       |
| 3.8.5      | Touch and Go Operations.....   | 3-31       |
| 3.8.6      | Airline Operations.....  | 3-31       |
| 3.8.7      | Airline Frequency and Capacity at EGE.....                           | 3-32       |
| 3.8.8      | Airline Activity.....  | 3-33       |
| 3.8.9      | High Volatility.....   | 3-35       |
| 3.8.10     | Peak Period Operations.....  | 3-37       |
| 3.8.11     | Peak Hour Operations.....  | 3-39       |
| 3.8.12     | Instrument Operations and Forecast.....                              | 3-39       |
| 3.8.13     | Design Aircraft for Planning Purposes.....                           | 3-41       |
| 3.8.14     | EGE Current Design Aircraft.....                                     | 3-41       |
| 3.8.15     | EGE Future Design Aircraft.....                                      | 3-42       |
| 3.9        | Cargo Operations.....  | 3-42       |
| 3.10       | Forecast Comparisons.....  | 3-43       |
| 3.10.1     | Summary of Operations.....   | 3-43       |
| 3.10.2     | Comparison Summary to Terminal Area Forecast (TAF).....              | 3-45       |
| <b>4.0</b> | <b>Facility Requirements.....</b>                                    | <b>4-1</b> |
| 4.1        | Regional Airport System Role.....                                    | 4-1        |
| 4.2        | Airside Requirements.....  | 4-3        |
| 4.2.1      | Runway.....  | 4-3        |
| 4.2.2      | Taxiways.....  | 4-10       |

- 4.2.3 FAA Design Standards ..... 4-12
- 4.2.4 Navigational Aids ..... 4-14
- 4.2.5 Airspace Requirements ..... 4-15
- 4.2.6 Obstructions ..... 4-17
- 4.3 Landside Requirements ..... 4-19
  - 4.3.1 Regional Transportation Network ..... 4-19
  - 4.3.2 On-Airport Circulation Roadways ..... 4-19
  - 4.3.3 Parking ..... 4-20
- 4.4 General Aviation ..... 4-22
  - 4.4.1 Transient Aircraft Aprons ..... 4-22
  - 4.4.2 Based Aircraft Parking Aprons ..... 4-23
  - 4.4.3 Apron Pavement ..... 4-24
  - 4.4.4 Aircraft Storage Requirements ..... 4-24
  - 4.4.5 Fixed Base Operator (FBO) Facility Needs ..... 4-25
- 4.5 Aviation Support Facilities ..... 4-26
  - 4.5.1 Air Cargo Facilities ..... 4-26
  - 4.5.2 Ground Service Equipment ..... 4-26
  - 4.5.3 Winter Overflow Aircraft Parking ..... 4-26
- 4.6 Airport Support Facilities ..... 4-28
  - 4.6.1 Airport Administration ..... 4-28
  - 4.6.2 Aircraft Rescue and Fire Fighting ..... 4-28
  - 4.6.3 Airport Maintenance Facilities ..... 4-29
  - 4.6.4 Airport Perimeter Fence and Access Control ..... 4-29
  - 4.6.5 Airport Traffic Control Tower ..... 4-29
- 4.7 Federal Agency Facility Needs (FAA, TSA, USCBP, ICE) ..... 4-30
- 4.8 Fuel Storage Requirements – 100LL, Jet A, and Self Fueling ..... 4-30
- 4.9 Deicing Facilities ..... 4-31
  - 4.9.1 Deicing Capturing Regulation ..... 4-33
- 4.10 Terminal Requirements ..... 4-33
  - 4.10.1 Level of Service ..... 4-34
  - 4.10.2 Building Systems / Code Compliance Analysis ..... 4-36
  - 4.10.3 Airline Functions ..... 4-39
  - 4.10.4 Concessions ..... 4-52
  - 4.10.5 Circulation ..... 4-57
  - 4.10.6 Passenger Security ..... 4-59
  - 4.10.7 Building Service Areas ..... 4-64
- 4.11 Utilities ..... 4-68
- 4.12 Facility Requirements Summary ..... 4-69
- 5.0 Alternatives Analysis ..... 5-1**
  - 5.1 Airport Development Goals ..... 5-1
  - 5.2 Evaluation Criteria ..... 5-1
  - 5.3 Alternative Considerations ..... 5-2
    - 5.3.1 Holding Bay/Bypass Taxiway for Runway 25 ..... 5-2
    - 5.3.2 Commercial Terminal Expansion ..... 5-8
    - 5.3.3 Access Roadways and Parking ..... 5-18
  - 5.4 Phased Development Concepts ..... 5-28

|            |  |            |
|------------|--|------------|
| 5.4.1      | Runway 7/25 Extension.....   | 5-28       |
| 5.4.2      | High Speed Taxiway Exit.....   | 5-28       |
| 5.4.3      | North Side Parallel Taxiway.....   | 5-32       |
| 5.4.4      | Connector Taxiway Reconfiguration.....   | 5-35       |
